

SMYSP Alumni Association Officer Meeting

April 19, 2008

Attendees: Destinee Cooper, Angel Fabian, Enrique De Anda, Earle Hall, Daniel Stringer, Jenny Patten

I. Welcome and Check-Ins

II. Projects Progress Check-In

- SMYSP support
 - Destinee sent an email to the alumni asking for panelists for the on-campus interviews and Dan is helping find interpreters for the day
 - On-Campus Interviews will take place in Old Union on May 3rd and the alumni panel will take place from 11:15am-12:15pm
 - June 4th is the date of the next advisory board meeting
 - This summer's program dates are from June 22nd- July 20th
- Constitution
 - Earle will send out the constitution and the group will discuss revisions over email
- Newsletter
 - Jenny hopes to get the newsletter done in May
 - She will look to Daniel and Dale for help, and if the group has ideas on articles they should forward them to her
- College Clusters
 - All college cluster representative slots have been filled for all regions
 - Work has been done to get the new reps up to speed with the information they need for their regions
 - Jenny will begin helping them during their planning processes and give them feedback as necessary
 - Earle asked for help with delegating out some responsibilities for helping with the college cluster timeline
- Alumni Events
 - Jenny will be working with the college cluster representatives to help them plan their events since the College Clusters are currently the most active part of the Association
- Fundraising
 - Enrique is working on a Costco grant
 - He received an email from Neil Rojas asking him to put on a financial planning presentation
- Needs Assessment
 - Captured ideas and needs of alumni
 - The group can take the needs assessment off the status updates
 - Destinee mentioned pursuing talking with Judith in case a needs assessment is wanted or warranted in the fall
- Website
 - Daniel is looking into posting cluster events on the website and getting access to the facebook/myspace accounts for the SMYSP association

III. Announcements and Next Meeting

- Our next meeting will take place on June 7, 2008 from 9-11am. We will meet at Stanford and provide a call in number.
