SMYSP Alumni Public Service Activities

We are documenting the wonderful public service work in which our SMYSP alumni and past staff are involved. This is, in part, a testament to the continuity of the SMYSP vision. If you have been/are involved in a public service program or activity (e.g. club, mentoring program, non-profit) in a meaningful way (e.g. you helped start the program, have/had a leadership role, are contributing lots of hours) please fill out this form. It will let us understand more fully about the continuing contributions and leadership skills of our SMYSP alumni and staff.
